Central Florida™

The Florida Economic Gardening Institute Offers a Proven, Results-Oriented Process

GrowFL Takes Companies to the Next Level

The GrowFL Program is a catalyst to create investment in Florida's economy by providing technical assistance for expanding businesses within the state. It is designed to grow a company's top line and in turn, stimulate jobs and generate a vibrant economy for Florida.

Companies seeking to participate benefit from the following:

- **Insight from the Technical Research Team Provides Rapid and Sound Solutions**
- **Access to Information and Intelligence Tools from a Team of Seasoned Business Strategists and Research Analysts**
- **Exclusive Access to Services such as Roundtables, Networking Events and Educational Opportunities**
