

Contact Pete Previte – pete@pharusgroup.com 908-723-6523

If you need help in the areas of financial management, remote workforce or disaster recovery, we want to help answer your questions.

The Pharus team is here to help. Please email us at info@pharusgroup.com for help.

Financial Management and Technology

Some questions may be...

- Are there financial resources available from the state of Florida to help me get through this business downturn?
- What Information Technology tools are available so that I can allow my employees to work remotely?
- What's the best way to work with lenders if I may have a difficult time making payments?
- How can I reduce my costs to help me through this downturn?

Remote Workforce

Your business needs to be able to continue operating, even in the toughest environments.

Do you need help with these areas?

- Virtual Private Network
- VoIP Phones
- Home Workforce
- Remote Support
- Cloud Solutions

Disaster Recovery

Planning for any catastrophic event is one of the hardest things for any business to do. We can help.

Questions to Ask

- Can my business survive a disaster? Is my workforce able to work remotely to keep the company operating?
- How can I recover from a disaster? Do I have the technology and financial resources to recover?
- What should I do to prepare?
 - Backups
 - Remote Backup Replication
 - Disaster Planning
 - Office Relocation
 - Business Continuity
